

CREATIVE | PR | DIRECT MARKETING | DIGITAL  
ALIGN for SUCCESS.

Are you a PR and Media Relations professional with 3-5+ years of experience in an agency environment; strong writing and media pitching skills; and digital and social media acumen?

Celebrating its 39th year in Wayne, PA, BTC - a regional and national marketing communications firm that provides creative, digital, public relations and direct marketing services for hospitality, business-to-business, non-profit, senior living and real estate clients - seeks a full-time practitioner to work on both B2B and consumer-driven clients.

BTC offers candidates a unique opportunity to work in a full-service, integrated environment with senior-level professionals. Hierarchy and layers are not our thing. You will learn every day and have the opportunity to interact with clients directly. In short, you will get as much responsibility as you demonstrate you can handle.

College degree and agency experience required.

Please include salary requirements in your response.
